- Video is more convenient and more accessible
 - Concern: How will we get people to watch it?
- Workshop is more interactive
- Hold in fall quarter (for old and new members)
 - Masquerade Ball
 - Tabling on Library Walk
 - More Eat for Service fundraisers
- Decision: Have both workshop and video!

INTERNAL FUNDRAISING BUSINESS

UCSD CIRCLE K BANQUET!

- Embarrassment Ideas
 - Use a marker to write on people → dislike because people are dressed up
 - Saran-wrap family heads to a tree (or pole) for photo opportunity

- Saran wrap the tree first (so clothes don't get dirty)
 - People take their own pictures
 - Write on saran wrap
 - Idea: Use silent tree
- ^ Final decision for banquet!
- Song Requests ~ \$1
- Chocolate packages
 - Have a workday during the week after this week
 - Suggestions? → go to Costco

INTERNAL FUNDRAISERS

- Qualcomm Fundraisers → 10-15 people
- Alcohol-selling booths (21+ age members)
- Local high school football games → concession stands
- TV-Tapings over the summer (NOT Are you smarter than a 5th grader?)
 - Have another person chair fundraisers in other locations

LIBRARY WALK FUNDRAISERS

- Dim sum or cold noodles
- Slip-n-slide!
- Mud (or Jell-O) fight fundraiser
- Note: Internal Fundraising can also plan large-scale projects! (i.e. carnival)

EXTERNAL FUNDRAISING BUSINESS

CAR SMASHING FINALS DE-STRESSER - APPROVED!

- Getting a car
 - Talk to Wilson!
 - Check junkyards and Craigslist (suggested by TESC)
 - Tell members to post ad on Facebook
- Retrieving donations on campus
 - Goody's, Earl's, Sunshine Market, Foodworx, The Village
 - New place next to the RIMAC Peet's Coffee in ERC
- Possible open areas to hold fundraiser?
 - * Sun God Lawn → use a large tarp for cleanup
 - The canyon between by outback adventures → bad location
 - * Revelle Quad (outside of CLICS) → open 24 hrs
 - Canyon in Sixth to get to Foodworx
 - Warren Mall (consider incident with Drew and his iPod speakers)
 - Library Walk → not safe; bad idea

MASQUERADE BALL 2010

- Masquerade Ball Location
 - Question: On ship or on land?
 - Advantages of land → more space, better for decorations (i.e. chandelier), cheaper rental
 - Disadvantages of land → harder to separate the different activities, less mysterious
 - Decision: SHIP!
- Join Google group to help with logistics!
 - Send both Facebook message and email
 - People do not take Facebook seriously
